Sergei Butorin

Multilingual AI Training Contributor | Russian · French · English

Nice, France · sergeibutorin5@gmail.com

PROFILE

Trilingual contributor (native Russian, fluent French, professional English) based in France. Detail-oriented and used to following strict written procedures and quality standards from industrial logistics work. Currently training as an industrial maintenance technician, with hands-on knowledge of mechanical, electrical and hydraulic systems. Interested in AI training tasks: evaluating and ranking model responses, writing and reviewing prompts, fact-checking, and verifying grammar, tone and cultural accuracy in Russian and French.

LANGUAGES

Russian — Native

French — Fluent (work & studies)

English — Professional working

KEY SKILLS

- **Language quality:** proofreading, grammar and spelling correction, natural phrasing, translation RU / FR / EN
- **Evaluation:** applying detailed guidelines consistently, comparing options against criteria, clear written feedback
- **Technical domain (in training):** industrial maintenance, troubleshooting logic, safety procedures, forklift and warehouse operations
- **Work habits:** autonomous, reliable, remote-ready; self-employed (micro-entrepreneur) managing my own schedule
